ST. EANSWYTHE'S DEDICATION

The Archbishop of Melbourne, Dr. Frank Woods, M.A., D.D., dedicated St. Eanswythe's Anglican Church last Saturday, September 12. He was assisted by Rev. J. Lawley, vicar of St. Eanswythe's.

The church, which can seat about 200, was fully occupied with local worshippers and by many others who had come back to renew for a time their association with St. Eanswythe's.

Since Altona was established a separate parish in 1959, there have been only three vicars — Rev. John Walton, Rev. W. Moriarty and the present vicar, Rev. J. Lawley. They were all present at the service, together with Rev. Ron Adams, who served Altona from the Newport parish.

There was a strong representation of clergy of other denominations and Father Crawford, Curate of St. Mary's, Altona, took a part in the service.

The Mayor, Cr. D. K. Grant, and councillors of Altona were present.

The service of dedication was most impressive. Each worshipper was supplied with a printed order of service and joined in the ceremony.

Archbishop Woods, during his address, referred particularly and with appreciation, to the role played in the service by representatives of other denominations, the participation of the Mayor and Altona councillors and the presentation of the old iron cross from the former building to the Altona Historical Society.

After the service, refreshments were served at a social gathering in the parish hall.

Local Wins Royal Show Award

The top award for the best exhibit in Arts and Crafts at this year's Royal Melbourne Show has been won by Mrs. Vera Wells, of Blyth St., Altona.

Her entry, an embroidered picture of a desert scene with camels, was her first-ever show entry. It won the class for any article of embroidery, a special prize for the best piece of embroidery in the Show and was named the overall best exhibit.

Mrs. Wells will receive the Florence Monod Memorial Trophy awarded each year to the Best Exhibit covering sections for needlework, sewing, knitting, crochet, dressed dolls, tatting, tapestry, basketry, weaving, soft toys, leatherwork, pottery, metal work, jewellery, hand-made flowers, woodwork and art.

The picture was worked during a 4½ month stay in hospital last year when Mrs. Wells had undergone an operation on her back.

To while away the hours she decided to embroider a scene of her own design. The work took about three months to complete, working six hours each day.

Wells' only hobby. She has taught herself to paint and has entered several paintings in the local Art Show being organised by Beta Sigma Phi.

Another local resident, Mrs. A. M. Ryan, of Marigold Ave., Altona North, repeated her 1968 success by winning the class for a "Tatting Article" and also the award for the exhibitor of the best piece of tatting in the Show.

Other successful exhibitors included Mrs. M. Jow-

ett, Stenhouse Ave., Brooklyn (most original doll), Miss J. Lobb, Mount Street, Altona (best scatter cushion).

In the section for Decorated Metal Work, Mrs. V. Komarnicki who attends the classes at Altona North Technical School, came third.

In the school competitions David Burr, of the A.N.T.S., won the first award in Sheet Metal Work and Warren Acklerly of the same school came third in the Technical Craft Work.

When you've lived somewhere all your life you get to know the place pretty well — well enough not to be side-tracked into rash judgments.

And to be a community's First Citizen you have to know your town — its people and their problems, the town's bad points as well as the good. Altona is fortunate.

Our new First Citizen — town all his life and his work as an industrial chemist with firms throughout Western Suburbs has given him a first-hand knowledge of pol-

lution control from an industrial viewpoint and as a member of the community.

Doug Grant was born in a private hospital at the corner of Droop Street and Geelong Road, Footscray, 47 years ago. He was educated at the Altona Primary School, Williamstown High School, and

EDITORIAL

SOCIAL WELFARE WORKER

Council objectives, as laid down by the Mayor of Altona, Cr. D. K. Grant, will find general acceptance and approval.

There are certain notable omissions but the points outlined lead to positive action and Altona will be a better place.

More particular consideration should be given before the appointment of a full-time trained social worker.

Undoubtedly there is a claimant need for social workers — fully trained, to investigate causes, incidence and alleviation of poverty and social ailments.

This is so at the State and Metropolitan level. It is not so clearly a need in particular municipalities.

Here there are the facts of poverty and distress. Its incidence and alleviation are of first importance.

This does call for a knowledge of the people of Altona, and those in want, and how they can be helped. All that is called for is an official enlargement of the social work at present being done in various ways in Altona.

CR. GRANT NEW MAYOR

(Continued From Page 1)
studied part-time for his Chemistry Diploma at the Melbourne Technical College — now the Royal Melbourne Institute of Technology.

His grandfather migrated to Australia from Scotland; and was a member of the Victorian Navy, forerunner of the Royal Australian Navy.

In 1904, Cr. Grant's grandfather moved to Laverton and Cr. Grant's father, Mr. William Grant, of Queen Street, Altona, attended the old Laverton Primary School. The building later shifted to Altona and used by St. Eanswythe's Church of England, Bent Street, until recently.

Cr. Grant's grandfather was appointed officer-in-charge of the Truganina Explosives Reserve in 1912, and shifted with his family to take up residence in one of the two houses on the reserve.

Around that time there were only 15 or 20 houses in Altona, plus a few fishing shacks.

Cr. Grant's father remembers most of the residents' names — the Spriggs, in Webb Street, MacArees, of Queen Street, the Neals and Palmers on the Esplanade, the Missens, opposite the present Altona Hospital, the Buzzers, about where St. Eanswythe's now stands, Rayners, in Railway Street, and Laughtons, bath manufacturers in Footscray, lived where the Bank of New South Wales now stands.

Mr. Walker, the mine manager, lived in the Homestead and the Flemings owned the building where Altona's first school was conducted.

There were no shops in Altona then, and all supplies had to be brought from Williamstown. The first train rolled into Altona in 1917, but later the tracks crossed Maidstone Street to serve the coal mine.

Cr. Grant remembers the mine section of railway tracks being taken up for scrap metal during World War 2.

Cr. Grant's father was the second eldest son in a large family and he and his brothers also worked at the Explosives Reserve. Cr. Grant's father married in 1917 and lived in the second house on the reserve.

His older brother, the late Mr. Alexander Grant, was associated with many bodies in the Werribee, Laverton and Altona area. He was the first president of the Altona Primary School Committee. A younger brother, George, who died three years ago, was handicapper for the Moonee Valley Racing Club and lived in Werribee for many years.

Another brother, Angus, married a Miss Waddell from a local family and conducted a dairy in Altona for many years.

John Grant, yet another brother, served on Werribee Shire Council from 1939 to 1950 — part of the time as Shire President. His name is commemorated in Grant Reserve, near the Altona Civic Centre.

A sister, Margaret Grant, was one of the early teachers at Altona Primary School.

The late Mr. Alexander Grant's father-in-law, Mr. Maher, was a councillor in Werribee Shire's East Riding, which extended from Laverton to Williamstown Road, Footscray. He had a farm on the site of the present R.A.A.F. base at Laverton. Alexander Grant was also on the election committee for one of the first Labor Members of Parliament to represent the seat of Corio — Mr. Alfred Ozanne.

Cr. Grant's father succeeded his father as office-in-charge of the Explosives Reserve, and held the position until he retired in 1957. He played football for Williamstown from 1913 to 1915 and coached the Werribee team in 1920 and 1921.

Cr. Grant's brother, Mr. George Grant, of Railway Street, is a local carrier.

In 1923, when Cr. Grant was born, Altona had a popu-

lation of 515 people, and 114 dwellings. Eight years later the coal mine was closed, and Cr. Grant remembers Wren, a relation of John Wren, and Bell, a member of the Tramways Board, building houses on the mine paddock. These red tiled houses can be seen fronting, Maidstone and Curlew Streets.

Around that time a racecourse was planned for a site near the Galvin Railway Station.

When Cr. Grant was 10 — in 1933 — Altona's Volunteer Fire Brigade began in McEwan Street. Mr. Bill Irwin, a local resident, and his brothers Joe and George, who were both posted missing during World War 2, were the brigade's leaders.

The Altona Hospital stood in Pier Street, where the Shell service station now stands. The old hospital was demolished three years ago, and up to that time the old sign on the side wall could easily be read.

Cr. Grant played hockey with the Altona Baptist Hockey Club (now Altona Hockey Club) for about 14 years — some of the time with the A Grade team. He also played cricket for about the same time.

"Hockey here started in Rowden's Paddock, where the present youth hall stands," said Cr. Grant. "Then it went to a site in Civic Parade, near Seaholme School, and later to the Williamstown Racecourse car park before going to The Pines Scout Camp."

"Altona had quite a few interstate hockey players then, including Roy Turner, Robby Murdoch and Eric and Charley Sherman."

"There was also a very good baseball team in the 1930's, and one of the best players was Mr. A. Findlay, of Bent Street. The football teams in Werribee League in 1929 and 1930 were quite good, and a lot of competitive cricket was played."

"The A.N.A. Life Saving Carnivals during the 1930's were quite important events, and events included riding bicycles off the end of the pier."

"The Bicycle Racing Club was well supported by Arthur and Charles Nash, and Eddie and Jack Kerney — all good riders."

"Koorngal Golf Club was set up in the late 1920's or early 1930's by a man named Jackson. Before the name was changed to Koorngal, an Aboriginal word meaning a place by the water — the club was called the Western Golf Club."

"The Horticultural and Choral Societies were very active, and Altona produced a well-known singer, William Laird."

"William, and his brother, Archie, were both bakers, and ran their businesses in opposition to each other."

Cr. Grant and his wife, Lola — formerly Miss Lola Featherby, sister of Reg Featherby, who played Association football with Williamstown under captain Ron Todd in the 1940's — live at 122 Blyth Street.

They have two children — Paul, aged 16, who attends Geelong Grammar School, and Brett, 10, a student at Altona Primary School. Paul attended the Grammar School's Timbertop section last year. Brett is a member of the Australian Boys' Choir.

Cr. Grant works with Pigment Manufacturers of Australia, Laverton, and is an Associate of the Royal Australian Chemical Institute and the Oil and Color Chemists' Association.

He worked with P.R.A. for nine years, and for four years was, among other things, a liquid and air pollution control officer.

He holds Altona Council's portfolio of Pollution, is Council's representative on the Clean Air Society of Australia and New Zealand and is chairman of the Pollution and Environment Committee of the Western Suburbs Municipal Association.

LITTLE ATHLETES TO ATTACK WORLD RECORD

Twenty Little Athletes, in age groups ranging from under 9 years to under 12 years, will represent the Altona Little Athletics Centre on Saturday, October 3, in an attack on the world record 12 hour relay.

This event is to be conducted under the sponsorship of the Victorian Egg Board with the dual objectives of making communities throughout Victoria aware of the Little Athletics movement within this state and to enable Centres to raise the finance so necessary to the efficient running of competitive athletics.

The event will commence in Altona at Grant Reserve at 7 a.m. The 20 children selected to represent the Centre in each age group will carry the baton with exchanges occurring each 100 metres, for one hour, when the next age group will take over. This process will be repeated, without interruption, by both girl and boy competitors for a total period of 12 hours.

It is expected that radio coverage will be provided by 3DB and associated stations throughout Victoria, with progress reports, on the hour, of each competing Centre's progress total distance run. Independent referees and lap scoring officials will supervise at each Centre and be

in attendance at all times. The event will be conducted under strict relay rules.

Last season the Altona Centre of the Victorian Little Athletics Association catered to the athletic needs of some 500 children and the Executive Council looks forward to the whole-hearted support of parents, business and organisations within the municipality which can be given through the medium of sponsoring Little Athletes from the Altona Centre.

Further details will be publicised throughout the city from time to time prior to October 3, 1970.

SPASTIC AID COMMITTEE RAISE \$10,000

Cash and equipment with a total value of more than \$10,000 has been raised in the eleven years since the Altona Spastic Aid Committee began operating.

September is the birthday month of the group and is known throughout Victoria as Spastic Month, when each year forget-me-nots are sold to raise funds towards the support of spastic children and adults.

The first meeting of members of the Altona Spastic Aid Committee was held on September 1, 1959, at 9 Upton Street, Altona.

Earlier the group's attention had been drawn to the desperate position of the Chis-Lon Spastic Centre. The Centre was down to their last eleven shillings which meant rostering the children to one day a week or to closing the Centre.

The Altona committee was formed and fund-raising suggestions resulted in a lot of hard work and a mighty response to an appeal on behalf of local spastic children and adults.

The first office-bearers were: Mr. Keith Kube, President; Mrs. B. Cambridge, Treasurer; Mrs. K. Oakes, Secretary.

Committee members were Mrs. H. Winder, Miss I. McGowan, the late Miss M. McGowan and Mr. Ken Oakes.

The first fund-raising effort was a barbecue at the home of Mr. Cambridge and the late Mrs. Cambridge. Mr. Bietins was the chef and dressed for the occasion.

This function on November 6, 1959, raised \$66, and a Street Stall on December 5 raised \$164.

The final effort for 1959 was a Christmas night held at 9 Upton Street, Altona, arranged by a group of young girls.

Pictures were shown by Mr. Larry Flemming, Father Christmas arrived with toys

and sweets for each child. Ex-Cr. Den Dulk, his wife and daughter, Betty, were present and the amount raised was \$30.

Early in 1960 the Committee's donation of \$200 was handed to the Spastic Centre.

Owing to the sudden passing of one member, meetings were not held for some time, although the interest and desire to raise funds still remained.

The interest of a number of members of the Country Women's Association visiting the Centre was aroused and several joined the Committee. It was resolved to hold meetings on the second Tuesday afternoon of each month.

For the next six years they were held at 9 Upton Street before transferring to the Homestead where meetings are still held on the second Tuesday of each month, commencing at 1.30 p.m.

Office-bearers in 1960 were: Mrs. O. Sullivan, President; Mrs. Groves, Treasurer (remained in office 5 years); and Mrs. Oakes, Secretary.

Various methods have been used for raising funds — concerts, street stalls, fashion parades, barbecues, fetes, social evenings, catering for naturalisation ceremonies, donations from firms of goods and cash, regular donations from Altona City Council, social service donations from schools throughout Altona and several donations from employees of Union Carbide awarded for periods of works with no lost time accidents.

The present committee is: Mrs. J. Nicholls, President; Mrs. J. Currow, Treasurer, and Mrs. Oakes, Secretary.

Members celebrated the 11th birthday in September with a trip to Millgrove.

The Seaholme ladies, Spastic Aid and friends travelled by bus and as September is Forget-me-not month, each person, young and old alike, wore a forget-me-not.

Committee members are proud of their fund-raising efforts. \$8,900 in cash and equipment valued at \$852 has been presented to the Centre. Money in the bank and from current sales of raffle tickets and forget-me-nots would boost the Committee's efforts to over \$10,000.

Thursday afternoon is devoted to cards and games. The committee would like to have more members attending and taking part on Tuesday and Thursday.

Thursday, September 10 special effort was won by Mrs. Marshall, 2nd prize by Mrs. Burgess.

Local Actor Successful

Simon Nette, young local actor, has been successful in the South Street Eisteddfod, held recently at Ballarat, gaining three places in the junior speech and drama section.

1st place junior championship recital, under 13 years; third place, test piece, under 13 years. Honorable mention — impromptu reading, under 13 years.

Simon has also just completed a six weeks professional engagement with the Melbourne Theatre Company's production of Ibsen's play, "A Doll's House" at the Russell Street Theatre, in which he played the part of the son, 'Ivar'.

He is currently rehearsing a play with the junior company at the St. Martin's Theatre, South Yarra.

Exhibition Opening

Internationally known portrait painter, Paul Fitzgerald, is to open the Fourth Annual Art Exhibition, organised by Mu Chapter, Altona, Beta Sigma Phi.

Mr. Fitzgerald was born in Melbourne and educated at Xavier College and the National Gallery School. He spent many years abroad painting portraits of such famous people as Pope John 23rd, Conrad Hilton and Queen Elizabeth II. Australian portraits he has painted include: Sir Robert and Dame Pattie Menzies, Sir Maurice Nathan, Peter McCallum, Sir Edmund and Lady Herring.

Altona is certainly honored to be visited by Mr. Fitzgerald, who will officially open the exhibition at 3 p.m. on Saturday September 26, at the Civic Hall.

As well as the usual displays of pottery, painting, sculpture and enamelware, there will be a display of work by secondary students in this area.

Church Dedication

(Continued From Page 1)

Next day, on Sunday, Rev. Lawley conducted the usual services to large congregations.

The church building, which was erected by H. & L. Weaver, in Queen Street, is enhanced by a relative isolation from other properties. The building has simple lines. Special exterior features are the cross, the figure of St. Eanswythe and the sloping roof.

The 8'3" outline of St. Eanswythe has four significant features.

The Crown — St. Eanswythe was the daughter of the first Anglo-Saxon king to become a Christian;

The nun's habit — She established a convent on the coast of Kent;

The Crook — Her insignia of office; and

The Fish — Because of her association with a nearby fishing village.

MARCHING GIRLS DINNER DANCE

There are tickets available still for a dinner dance, organised by the Altona City Marching Girls, to be held at Talbot Hall, Williamstown on Friday, September 25. This is the last call to Talk Back 70!

This Sunday evening at 7.45 p.m. marks the opening session.

Bishop Dann regards the Altona Talk Back 70 as being a highly significant occasion in Anglican activities in Altona.

He has graciously consented to guide the program and indeed, has interrupted a very busy schedule of duties to be present. The acceptances to date already assure a most successful function.

The overwhelming enthusiasm experienced at the opening ceremony of the new Church is undoubtedly extending to Talk Back 70.

Many parishioners have expressed feelings of excitement and keen anticipation concerning this new step.

Please do contact the vicarage without delay if you plan to attend. Phone 398-1005.

The dates are Sunday, September 20, Monday, September 21, Tuesday, September 22, in the new Church complex. Times 7.45 to 10 p.m. Supper will be provided. Baby sitting and transport can be arranged if necessary.

21st Birthday

Tennis players from Altona and Liston-Esplanade were well represented at the coming-of-age of Robert, youngest son of Mr. and Mrs. Harry Walker, of Bent Street, Altona, held at the Brooklyn Hall on Saturday.

His grandmother, Mrs. Fitch, helped Robert cut the cake which was decorated as a tennis court.

Among the 120 guests were the "2 Jays" whose items were well appreciated.

WORKING MEN'S CLUB NEWS

THURSDAY EVENINGS SOCIAL BOWLS —

The Committee would like to see a larger number of indoor bowlers taking advantage of this activity and joining in the social bowls each Thursday evening.

On these nights players have an excellent opportunity to introduce clubmates and friends to this enjoyable indoor sport.

In addition it also allows players competing in the doubles competition and the forthcoming club fours competition to practice shots that they otherwise would not dare to try in the competitions.

Whilst many new members have joined in the indoor bowling during this year, there must be many more eager to have a go.

Perhaps they are a little embarrassed that they may not make the grade, but learners should have no worries as experienced bowlers can go off the mat too, and experienced bowlers are there to help.

SOUTH SEAS EVENING

Three hundred invitation tickets have been issued for the South Seas Evening. Members who have missed out on the invitation ticket can still come along this Friday, September 18, at 8 p.m.

Anyone interested and able to produce the necessary dollars will be able to book 10 or 17-day cruises to Fiji, Suva or Tahiti, through the Williamstown Travel Bureau, P & O Lines and Fiji Visitors Bureau, which are presenting this free show.

THE CURTAIN RISES

BY THISBE

Recently, I was talking to Les Terrill who has just returned from a trip to the U.K. Les was away during the run of "The Duenna" and so he was trying to catch up with all that has happened in the time he was overseas.

He is looking forward to this excellent cast has been very busy putting the finishing touches to a very exciting production. The play itself is entertaining and worth discussion by study groups.

Booking, which opened last Monday, is moving well. If you would like to see the play, why not come on the evening of Show Day, Thursday, September 24, or early in the following week as Friday and Saturdays are filling rapidly.

If you would like to join us at the theatre during the run of "Five Finger Exercise" remember that the season runs from September 23 until Saturday, October 3.

Bruce Duden is new to all of us. He has just finished producing "Come Blow Your Horn" with the Strathmore Arts Group.

SOMETHING WORTH SEEING!

The Veteran Car Drivers' Club intend to tour around Williamstown on Sunday, September 20, as guests of the Williamstown Historical Society. They will follow the tour made by the Vintage Cars in May.

Veteran cars are the early ones — the quaint cars with plenty of polished brass, gas headlights, horn, and wheels of a type unknown today.

The cars will move from the West Gate Bridge viewing point along the Strand to the Commonwealth Reserve where Club members will stop to view points of historical interest in this area. They will visit the Time Ball Tower at Point Gellibrand, go down Thompson Street to the Esplanade and along to the Williamstown Botanic Gardens for lunch. At 2 p.m. the cars will proceed to the Railways' Historical Museum at North Williamstown, then return to the Mechanics' Institute for afternoon tea and an inspection of the Historical Museum.

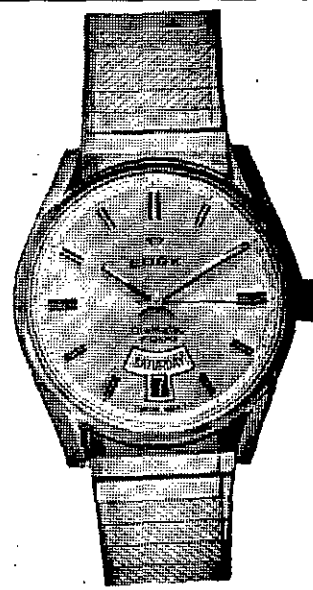

The number of cars taking part in this tour will depend on the weather, for few of these cars have hoods, and wet weather would prevent them making the trip.

Altona City Football Club

A match between past and present players will be held this Sunday afternoon (September 20).

Some past players who may take the field are:

Frank Neilson, R. Stevenson, the Thompson brothers, S. Magee, G. Fairley, C. Hynes, N. Rohleder, A. Camilleri, B. Locke, Malcolm Tisdale, C. Sorrell, W. Wooding, J. Green, L. Wenlock, "Tiny" Douglas, R. Rycroft, R. Buckingham, R. Patton, B. Brennan, A. Butterworth. All former players interested in playing please attend ground by 1.30 p.m.

Liston-Esplanade Loses Pennant Final

Liston-Esplanade's "C" Special Pennant team lost the singles section of the final at Kooyong, three rubbers to one, against a very strong Dandenong Recreation.

Only local player to win a rubber was Robert Walker who capped off an outstanding season by scoring a 6-2, 6-1 victory. Robert played brilliant tennis and overwhelmed his older opponent in impressive fashion.

Michael Kelly had an exciting first set to lose narrowly by a 7-5 margin.

Michael's opponent was a first class B Pennant player who turned on top quality tennis.

Although losing the premiership, Liston-Esplanade enjoyed its best season in "C" Special and lodged hot claims for a higher grade next year.

Reaching the grand final in a grade in which 56 teams competed was a wonderful effort, especially as John Hewitt and Robert Walker were elevated from D Grade last year.

Entries close for the Victorian Hardcourt championships on September 21 and the tournament commences on October 3 and concludes on October 18.

John Stephens and John Hillebrand have entered the championship doubles to defend their title which they won last year against Neale Fraser and Frank Sedgman.

Robert Walker celebrated his 21st birthday last week and club officials and members congratulate Robert and wish him well for his future.

Summer Pennant commences on September 26 — in a fortnight's time.

HOT ROD RACING AT MELBOURNE SPEEDWAY

By RAY CLARKE

More than half of the competitors in the Hot Rod section of the Melbourne Speedway live in the Altona and Williamstown district. This position has only risen in the last three months since Club President, Ken Howard, started to push for more publicity.

As the night season approaches excitement is also mounting as drivers feverishly battle to finish their cars for the new season.

Ken Howard has completed his car and will be out racing this Sunday to iron out any bugs in the handling or motor department.

Another important car to come on the scene in the new season is the Holden powered car of 17-year-old Col Patterson.

Young Rob Davies is another Altonian with a new car. It went well but he appeared to be having handling problems which will be quickly sorted out.

Veteran Hot Rod pilot Danny Luckett brought fame to Altona last season by beating Ray Welsh, not once, but twice. He should do better this season.

Irishman Eddie Byrne has a tremendous fan club in Altona and never lets them down. He is a busy driver always looking for a gap to go through.

Racing on Sunday will feature the Winter Hot Rod Derby over 20 laps. This will be supported by saloon cars, junior sportsmen, super modifieds and ladies' saloon cars with the first event at 2 p.m.

Swinging World

WITH RON COLEMAN

BIGGEST-EVER DANCE IN ALTONA

The biggest dance promotion that has
ever been planned for the Western Suburbs
will take place at Altona North Technical
School on Friday night, September 25.

"Swinging World" is combining with the
Australian Entertainment Exchange to bring
you the last dance appearance of Max Merritt
and the Meteors before the group heads over-
seas this month.

Other groups featured will
include The Lotus, a fan-
tastic new group from Syd-
ney, 'The Vehicle,' making
their first Melbourne dance
appearance and a sensa-
tional new trio called Lazy
and the Rock.

The dance will have a
two-fold purpose.

It will celebrate the fourth
birthday of a pop page in
this paper and it will pro-
vide local people with the
unique opportunity of seeing
the last dance appearance of
Max Merritt before he heads
overseas to Britain and Ger-
many.

Over 1000 young folk are
expected to attend the dance
which clashes with the last
Friday of the Royal Mel-
bourne Show.

Buses will run from Al-
tona to take those people
who do not have transport
to the dance.

It will be up to you to
support this dance if you
wish to see more happenings
of this kind in the area.

Admission should be the
usual \$1 a head and a
first class night is assured.

Two days after the dance
Max Merritt and the Meteors
will make their final public
appearance at a Festival
Hall concert but you will
have the opportunity to
dance to Max and the boys.

And Sydney group, The
Lotus, are really worth see-
ing.

This group has received
wide acclaim for its recent
appearances at Berties and
Sebastians.

Local groups will include
The Vehicle and Lazy and
the Rock.

And many of you are go-
ing to be really surprised at
the quality of music provided
by Lazy and his gang.

Coupons advertising the
dance will be distributed
throughout Altona and next
week the ALTONA STAR
and WILLIAMSTOWN AD-
VERTISER will have details
of the buses that will trans-
port patrons to the dance.

But if you can make it to
the dance you will have no
worries for transport home.

Due to the big crowd that
is expected, the doors will
close at 9.30 p.m. and there
will be no pass-outs.

So get there early. The
dance runs from 8 till 11.30
p.m.

"Swinging World" will
have give-away prizes on
the door and there will be
plenty of surprises.

The Advisory Council of
Altona North Technical
School was thinking of the
youth of Altona when it
granted permission for such
an event to be staged.

So it is now up to the
young folk to do the right
thing by the Council.

No car must enter the
school grounds. They must
all be parked in Millers Rd.

And cigarette butts must
not be thrown on the highly
polished dance floor.

If these requests are com-
plied with then the youth of
Altona can be assured that
there will be more dances of
this nature.

That's all on the dance
until next week.

Remember: Friday, Sep-
tember 25, 8-11.30 p.m.,
ALTONA NORTH TECHNICAL
SCHOOL HALL (The
Ants Hill), Max Merritt and
The Meteors, The Lotus, The
Vehicle, Lazy and the Rock.
Admission \$1.

CYCLING FIASCO AT WENDOUREE

Two members of the Williamstown and Newport District Cycling Club contested the "Wendouree 110" Open road race last Saturday.

Tony Robson and Wal O'Brien were both victims of bungling that has been a feature of the Wendouree Open on a number of occasions over the past 10 years.

The Wendouree Club's main problem is the lack of willing workers to take on the unenviable job of corner stewards.

In last Saturday's race the bunch of which Tony and Wally were members, all withdrew 20 miles from the finish after taking their fourth wrong turn and losing all chance of taking a hand in the finish.

Several complaints have been made to the League of Victorian Wheelmen by the riders concerned in anticipation of avoiding further mistakes in the future.

Winner of the event was Frank McCaig of Bendigo who is enjoying an amazing run of success.

This season Frank has gained first placing and fastest time in the "Hamilton 75", "Wangaratta 90" and "Wendouree 110" handicap events.

He also has won the Victorian 125 mile road championship, the Southland 100 mile Criterion and Casterton 70 mile Criterion.

This coming Saturday the riders will tackle what is considered to be the toughest one day cycling event in Australia — the Midlands Tour.

On Saturday week the "Bert Smith Memorial 60"

will be held with the start in Sneydes Road at 2 p.m.

If some of the younger riders who were going great guns early in the season intend to ride in the fast approaching track season they would be well advised to saddle up in the "Bert Smith" event to commence their preparation.

The speaker for this night will be club member Mr. Tom Saker, whose subject will be "The Effects of Light in Gemstones."

The social committee has arranged another theatre night for September 23 at the Williamstown Little Theatre, the play being "Five Finger Exercise." Tickets will be available at the general meeting.

Please ring the Secretary on 311-5476 for any information.

Victoria Inn Social Club

Last Tuesday evening the Victoria Inn Social Club held their first annual meeting at the hotel.

The club finished the year with a satisfactory balance. Many functions were held over the past 12 months — a Christmas Tree for the kiddies, a picnic at Healesville being the highlights.

Mr. Wal Downer resigned as treasurer and a motion was passed, praising his work.

New office bearers for the ensuing 12 months are as follows: President: Mr. Harry Hayward; Secretary: Mr. Bill Green; Assistant Secretary: Mr. Ray Black; Treasurer: Mr. Barry Reid; Vice President: Mr. Wal Downer. Committee: Mrs. Phyllis Healey, Mrs. Vi Healy, Messrs. Reg Rudland, N. Duggan, Ron Payne and Neil Frazer.

The coming year looks good and many functions are being arranged including a snookerette team under the astute leadership of Terry O'Donnell.

Members who have not made themselves financial are advised to see the treasurer, Barry Reid, as soon as possible.

RED CROSS CALLING

The Mayor of Williamstown, Cr. J. M. Byron, has been asked to be chairman of the 1971 Red Cross Calling appeal in Williamstown.

The Red Cross Society also asked Cr. Byron to convene a public meeting in the near future to arrange the appeal, to be held on March 21, 1971.

LITTLE ATHLETICS

WESTONA CLUB
Registrations for the 1970-71 track and field season are now due and a representative of the Westona Little Athletics Club will be at Altona West State School on Saturday next (September 19) from 9 a.m. to 11 a.m. to enable parents to register their children.
A State-wide Relayathon will be held on October 3, and the season will commence on the morning of Saturday, October 10.

ALTONA NORTH CLUB
The Altona North Little Athletics Club are having a pre-season inter-club meeting with Oak Park Little Athletics Club on Sunday, September 27, at 2 p.m. at Langshaw Reserve, Altona North. The Club wants as many children as possible to attend and compete in the events.

SEAHOLME CLUB
Training will now be held on Sunday mornings from 11 a.m. until 12 noon at the Seaholme Primary School. All children are asked to attend. The next committee meeting will be held on September 21 at 7.30 p.m. in the Seaholme School Library. Interested parents are asked to try and attend this meeting.
A Coaching Seminar for Parents will be held at Grant Reserve on Sunday, September 20, at 9.30 a.m.
Registration for children between the age of 6 to 13 years can now be filled in. For further information please ring 398-2268 or 398-1797.

ALTONA CLUB
Altona Club has announced that registrations for the new season to open on October 3 are now open and interested parents are asked to obtain cards from: Mr. A. Barling, 156 Civic Parade, Altona; Mr. R. Emmins, 123 Blyth Street, Altona; Mr. R. Harrison, 40 Grieve Highway, Altona.
All children must be registered to be able to compete as registration automatically insures the child against injury.
Children who already have

official competition numbers from last season retain these through all seasons of Little Athletics. Only children competing for the first time will receive new numbers.

Parents are reminded that a Coaching Seminar for officials will be conducted by the Centre at Grant Reserve on Sunday, September 20, to instruct interested persons in the mechanics of athletics with regard to measuring, timing, judging, etc.

Shortage of officials is the biggest problem in Little Athletics and parents of competing children are expected to contribute every third Saturday to official duties at the Centre to prevent possible loss of points and cancellation of events which would be detrimental to the children.

The Altona Little Athletics Club is generally centred on the Blyth Street Primary School and interested parents from this area are asked to attend the next general committee meeting to be held on Friday, September 19, at 40 Grieve Highway, starting at 7.45 p.m. to discuss arrangements for the coming season.

WILLIAMSTOWN CLUB

Two dates for members of the Williamstown Little Athletics Club to remember, are September 26 and October 3.

On September 26 a warm-up meeting will be held when all intending members will be registered and officials for the season will be arranged. The following Saturday, October 3, will be the start of competition for 1970-71 and the official opening. Both days will be held at Newport Oval, Market Street.

Parents of competitors are asked to go along as many adults are needed to run the competition.

NORTH PRIMARY CLUB

The last two monthly meetings of the North Primary Little Athletics Club have had to be cancelled because of lack of a quorum. As a quorum consists of seven, and the membership of North Primary totals 126, it is obvious that there is need for

Newport Cricket Club

At last Thursday's committee meeting it was decided that practice on Tuesdays and Thursdays for season 1970-71 will commence at 4.45 p.m. under coach Kevin McCusker.

There also will be two special practice sessions at 9.30 a.m. on Sundays, September 20 and 27. Every player is requested to make an effort to attend as the commencement of the season is rapidly approaching.

Prior to practice on Sunday, September 27, there will be a paper drive and if anyone with any spare papers could leave them at K. J. McLay's, 31 Hannan Street, Williamstown, or at D. Wignalls, 3 Durkin Street, Newport, by 8 a.m. on September 27, the club would be most appreciative.

Following the paper drive and practice all members are invited to a pre-season get-together barbecue luncheon at K. J. McLay's.

Please keep Friday, October 23, free for a Picture Night which has been arranged by Yvonne Parker and her diligent committee.

The next men's committee meeting has been brought forward to Wednesday, September 23, at 8 p.m. sharp.

grave concern at this non-support of parents to one of the strongest clubs in the Centre.

The next meeting will be held in the Staff Room of the North Williamstown Primary School at 7.45 p.m. on Friday, September 18, and it is hoped that this unfortunate state of affairs can be rectified on that date.

The season is about to commence on October 3 and there is an "Orientation Day" scheduled for the Saturday prior to this (September 26). Fees can be paid on that day.

NEWPORT BASEBALL CLUB HOLD THEIR FIRST FUNCTION IN NEW CLUBROOMS

On Friday last the Newport Baseball Club held its first official function in their new clubrooms at Park Crescent Reserve, Williamstown.

The President, Mr. W. Gledhill, welcomed Cr. R. Dawes and Cr. E. Smith, representing the City Council and Mr. Tom McIntyre from Sunshine Baseball Club.

Apologies were received from Williamstown Baseball Club and the Victorian Baseball Association.

Included in the welcoming remarks was the welcome to the large gathering of members and supporters and also to a large body of life members.

Among those present were four former presidents in Mr. J. S. Marx, Mr. Jack Carroll, Mr. Jack Richardson and Mr. Len Duggan.

Other life members present were Stan McKay, Lal Johnson, Bill Gledhill, Bob Milne, George Williams, Don Sturrock, Harry Douglas, Brian Shields, Alf Herring, Jack Cornish, Clyde James and Jack Dunstone — 16 in all.

Replying to the toast, Crs. R. Dawes and E. Smith paid glowing tributes to the club for the wonderful building they had erected (all at the club's expense) and as it is almost debt free it proved that the club was a leader in its field.

Almost \$12,000 has been expended on the pavilion and the ground and tributes came from everyone present on this magnificent achievement.

Mr. Len Duggan proposed the toast to the Building Committee who had been responsible for the erection of the building and paid tribute to its members — Messrs. J. Bird, J. Merri-man, B. Cleary, B. Howard, D. Sturrock, J. Cornish, P.

Cornish — for the time and thought they had put into the building.

Mr. Jeff Bird suitably responded to this important toast.

At this juncture the President announced that the building would be named the H. T. Johnson Pavilion as Lal Johnson was a foundation member in 1928 and is still active with the club.

The main diamond would be known as the H. Douglas Field, commemorating Newport's greatest player and only Australian representative.

The President then unveiled a portrait of Harry Douglas amid applause.

Trophy winners for the season were then announced: Best Player/Clubman (Mackrell Trophy): John Merriman.

Best Clubman (J. Currie Memorial Trophy): Barry Cleary.

Most Improved (Robert Briscoe Memorial Trophy): Robert Kelly.

Best Infielder A Team (J. Linton Memorial Trophy): Harry Bunting.

Best Infielder B Team: Bill Acton.

Best Infielder C Team: Dick Murdoch.

Best Batter A Team: Harry Bunting.

Best Batter B Team: Bill Acton.

Best Batter C Team: Robert Kelly.

Best Outfielder: John Merriman.

Best Player Summer Series: Reg Simpson.

Most Valuable (B Team, Finals): John Armstrong.

Newport Amateur Swimming Club

FOUR TEAMS SUCCESSFUL

Newport Club has started off the Spring Inter-club Penant competition successfully as the four club teams defeated the opposition very easily, but the swimming of each team must be improved if they wish to remain on top as some of the times were disappointing.

Times will improve if swimmers attend club training on Sunday mornings.

There will be no club swimming on Wednesday nights for a few weeks as Club Championships start this Wednesday (September 16) and will continue every Wednesday night until December 2.

Pigeon Racing

Williamstown Homing Club (V.H.A.) conducted its race from Ouyen (240 miles) last Saturday under ideal racing conditions.

The race was won by the club's President, Jack Durkin — a very popular win.

1st, Jack Durkin, 1,605 y.p.m.; 2nd, Paul Germaine, 1,590 y.p.m.; 3rd, Bernie Demme, 1,582.98 y.p.m.; 4th, A. & S. Carter, 1,582.39 y.p.m.

The next four races will be from Mildura, a distance of 300 miles. — GAY PIED.

SAVAGE TAMES TIGERS FOR ALTONA IN SOCCER

Billy Savage was the man of the match
against Richmond on Saturday last. His bust-
ling style of play played havoc with the Tiger
defence and had the playing surface of the
Burnley Oval been anything like it's supposed
to be Savage would have added many more
goals to his total for the season. As it was
Altona won two goals to nil.

The Altona boys had most
of the play in this game and
if only Jimmy Ackers and
Tommy Keane had opened
the game up a bit more
quickly the game would have
been sewn up by half-time.

The Marroons didn't adapt
themselves quickly enough to
the poor surface of the
ground, the middle of which
was like a ploughed field.

King and Herman were
well held by two good full
backs while Iordanus and
Savage got stuck in trying to
find a hole in a hard, solid,
stop-at-all-costs defence.

While all this was going on
Hynes, Balish and company
mopped up any moves by
Richmond to score. Only a
few long-ranged shots got
through to Roberts. Copley
and Colbard had too much
toe for the Tiger wingers.

King almost scored the first
goal early in the game but
his shot from 3 yards out
was blocked right on the line.
Herman had a header well
saved by the keeper.

How could Altona have ap-
plied all the pressure in the
first half and yet go in at
the interval with not a soli-
tary goal to show for it?
The answer was simple, be-
cause of slow delivery from
the linkmen the forward
line became congested and
when the ball finally reached
them it was all too easy for
a Richmond defender to boot
the ball away.

The second half saw Altona
wake up to what was re-
quired. Savage, relishing in
this new service, had three
great efforts which miracu-
lously missed. One chip shot
on the run deserved a goal.
However, it was impossible
to subdue "Bustling Billy"
as he picked up a ball from
Kean, ran past two men
and sent a low drive scor-
ching into the far righthand
corner of the net and the
Marroons were one up.

Five minutes later Savage
again belted home a pass
from Herman. However, the
referee flagged it offside.

King and Iordanus were
working well on the left. Bal-
ish had a drive from 40
yards which went narrowly
past the post.

Herman and Savage had
drives well saved by a con-
fident keeper. Iordanus thun-
dered one past him only to
see a defender handle the
ball with a penalty resulting.
Ray King took the spot kick
and thumped the leather

home to leave Altona win-
ners, 2 goals to nil.

RESERVE XI

The Altona "babes" in the
Reserve XI found out it is a
man's game as a very mat-
ure Richmond side meted
out some heavy tackles.

The Altona boys were black
and blue. One of the 15-
year-olds was heard to say
as he walked away from a
very late tackle, "Wait till
I grow up." How true these
words are — wait till they
grow up!

With such a wealth of tal-
ent around the future looks
rosy.

Nat Little and Bobby Sax-
ton gave a good account of
themselves while in defence.
Lthein and Collins played it
very cool. Despite losing 2-1
the Altona team played well.

Congratulations to Bruce
Roberts, one of the three Al-
tona boys who played in the
undefeated Victorian Under
14 side which won the na-
tional title in Sydney. Bruce
was selected to play for Aus-
tralia — a real honor for
this young sportsman.

Saturday will see Ringwood
United come to Altona. Ring-
wood are desperate for points
to avoid relegation.

Old Players At Preliminary Final

Still suffering from the
after effects of a good night
at the Port Melbourne Old
Players on Friday, the boys
journeyed to St. Kilda to see
their side — and they were
not disappointed.

"Tiger" Knight, who has
been on the sick list, was
elated and the win will
prove a tonic to him.

Owing to the bowling sea-
son, some of the boys were
missing, but they watched
the game on TV when they
could.

Ron Dean has done a
great job throughout the
season and the boys are ap-
preciative of just what he
has done.

All will be at the grand
final to see 'Town's first
ever grand final against the

Williamstown Ladies' Bowling Club

The 1970-71 season of the
Williamstown Ladies' Bowling
Club was opened on Septem-
ber 5 by Mrs. Alma Mann,
President of the Victorian
Ladies' Bowling Club.

Club President, Mrs. C.
Henderson, graciously wel-
comed the guests, who in-
cluded the Mayoress of Wil-
liamstown, Mrs. J. Byron,
and Mrs. Jarrad, wife of Cr.
Jarrad. Other guests included
members of neighbouring
clubs.

In her speech, Mrs. Mann
congratulated Williamstown
Ladies on their past achieve-
ments and wished them fur-
ther success in the future.

A pleasant interlude was
the presentation of a Life
Membership Certificate and
brooch from the club to Mrs.
Eva Spicer. A member of
long standing, Mrs. Spicer
has held practically every of-
fice in the club and has given
yeoman service in many
ways.

The weather kindly allow-
ed a friendly game of bowls,
after which everyone partook
of a delicious afternoon tea,
among beautiful floral deco-
rations.

In the game played last
Saturday the winning rink
comprised Mesdames A.
Price, J. Thomas, E. Dunne
and C. Skerritt. Runners-up
were Mesdames T. Weight,
N. Hopper and H. Hogan.

FEARONS EASILY WIN 1970 LACROSSE PREMIERSHIP

The Fearons won the 1970 premiership
in very easy style last Saturday at Williams-
town. The match had all the excitement and
vigor of a grand final.

The Fearons led at quarter-
time 7-4.

In the early stages of the
second quarter Malvern, by
dominating the centre play,
goaled quickly and at one
stage the scores were 8-7
Town's way but the Fearons
quickly rallied and at half-
time had a commanding lead
of 15-8.

In the second half the
Fearons added a further 14
goals to Malvern Blacks' 4.

Final scores: 29-12.

The Fearons team com-
prised: Coach, Frank Ho-
garth; captain, Rod Cordell;
vice-captain, Michael Orr;
Alan Chiron, Alan Rolley,
David Allen, John O'Keefe,
Robert O'Keefe, Richard Tre-
gear, Bill Rhodes, Ron
Twomey, Alec Inglis, Eddy
Toomey, Greg Garnsworthy
and Kenny Read.

The victory dinner dance
was held in a hall in Fergu-
son Street and a great time
was had by all officials, play-
ers, wives and their friends.

The catering was done by
a few ladies of the social
club and a thank you must
be extended to them.
Arrived just before the big
game commenced.

The usual sing-song around
the organ at the home of Ken
and Edna Speakman follow-

ed the dance and a very
good time was had by all.

To finish the season, this
Sunday Williamstown will be
host to Brighton Lacrosse
Club, favourites for the pre-
miership in Adelaide and on
Sunday the two teams meet
on the Dugan Reserve in a
match that has all the fire
of a grand final and neither
the Fearons or Brighton "A"
like to be beaten.

The weekend is social and
a great time is had by both
clubs, but for 100 minutes
the social aspect is forgot-
ten.

Contrary to a rumour going
the rounds, the Fearons have
not yet equalled the Malvern
record of 72 consecutive
wins. Record officer reveals
the Fearons now have a tally
of 71 and need two more
wins next year to break the
record.

Details:

A Grade Grand Final. —
Fearons defeated Malvern
Blacks, 29-12.

Goals: D. Allen 7, R. Tre-
gear 7, A. Rolley 6, E.
Toomey 5, M. Orr 2, J.
O'Keefe 2.

Best: A. Chiron, R. Tre-
gear, R. Twomey.

Newport Ladies' Bowling Club

State Senior Vice-President,
Mrs. Dillon, opened the
green in very cold conditions
on Wednesday, September 9,
for season 1970-71.

It was more like the start
of Winter, instead of Spring.

The Mayoress of Williams-
town, Mrs. Byron, who was
accompanied by Mrs. Jarrad,
sent down the kitty like a
veteran and Mrs. Dillon bowl-
ed the first bowl.

President, Mrs. Tess
Davies, ably assisted by Sec-
retary Mrs. Nell John, wel-
comed members and visitors,
many from neighbouring
clubs, to a tasty luncheon.

An interesting talk by Mrs.
Dillon was enjoyed by all.

Newport men's president,
Mr. Lawry Fitzpatrick, and
secretary, Mr. Bill Smith,
both wished the president a
happy and successful season.

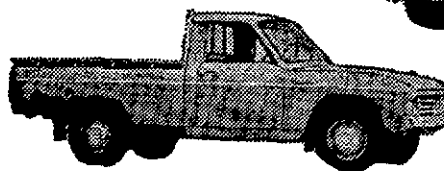

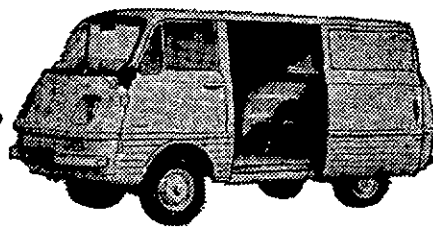

In keeping with tradition,
the retired men bowlers look-
ed after the ladies — serving
them with tea — which every-
one appreciated.

The Ladies' Bowling Club
has three teams in pennant,
all have been promoted —
two teams to B Section and
one to C Section.

ALTONA TENNIS CLUB HAVE TOP UNDER 19 TEAM

For the second successive year Altona has proved to have the top Under-19 tennis team in the western suburbs winter competition.

On Sunday in the grand final Altona defeated Liston-Esplanade 46-36 games, 6 sets to 3.

Four of this year's players (Geoff Wood, Helen Shields, Bev Sandilands and Susan Keown) were members of the successful 1969 team.

Greg Findlay, Peter Sawyer and Lesley Hyde made up the 1970 team.

On Sunday, in the early sets, the Altona boys were struggling but the girls were able to put the team in the lead.

Suzanne Keown and Helen Shields were equal to the occasion by taking the first set 6-3, and this fine win gave Altona much-needed confidence.

Bev Sandilands combined brilliantly with Helen Shields to romp through the next set 6-0. This was followed by the boys' best win for the match — Peter Sawyer and Greg Findlay after being 4-2 down came back and won 6-5.

This win put Altona six games up with the three mixed sets to be played.

The first mixed doubles set changed the atmosphere of the game. Peter Sawyer and Helen Shields, who had both been playing extremely well throughout the day, went down to two attacking opponents 3-6. This result meant that a great deal hinged on the second last set in which Liston had their best pair.

However, Geoff Wood, who up until then had not had one of his best days, and Bev Sandilands turned in a magnificent performance and just about clinched the match by winning 6-4.

After this win Altona only needed to win two games in the last set to win the premiership. Suzanne Keown and Greg Findlay completed the task with ease.

Greg proved he was the top player in the competition by turning in a faultless last set and was ably backed up by Sue who showed how much determination means to a team.

Elderly Citizens' Welfare Committee

The results of elections held at the annual meeting of the Altona Elderly Citizens' Welfare Committee are as follows:

President: Mr. A. Bond.
Vice-Presidents: Mrs. Q. Cox and Mr. R. Harrison.
Hon. Secretary: Cr. W. Sommers.

Minute Secretary: Mrs. I. Stewart.
Hon. Treasurer: Mr. H. Snowling.

Committee: Mesdames Sister J. Vincent, K. Mitchell, Mrs. Johnson, Messrs. A. Daws, A. Francis, F. Matthews, A. Hansen, F. McCormick, Rev. David Pope.

The President's Report showed how pleased all were with the club improvements.

He congratulated members of the social club for the work they were doing, especially Mr. J. Sutton, Mrs. Edwards and Mrs. Dixon — in the President's own words, "We maybe elderly citizens but we are able to battle for ourselves much better than some of the young ones of today."

Thanks were extended to all donors, the latest being Altona ANA \$10, APC \$100, Gilbertsons \$500, without which the club would not be able to continue the work of helping the elderly.

Latest additions to the club are two of the latest type electric heaters.

The aim in the future is a new bus. It was shown that 3,738 people were carried by bus to the club for the year, and 7,800 from the club and 7,392 meals were served for 1969-70.

The President thanked Cr. Ian Stewart (Council representative) for his advice and assistance.

A trip to Hanging Rock has been arranged for Sunday, October 11. Tickets are available from Sue Keown (398-2407) or Greg Findlay (398-1048). Barbecues provided but not the food. Tickets are \$1.50 members, \$2 non members, also family concessions and cars, \$1 per car.

A working bee has been set for all members (seniors and juniors) at the courts at 10 a.m. on Sunday, October 20. Males will be taking care of the old and new courts while the ladies will work inside the tennis pavilion. Men to bring a hammer and screwdriver if possible.

John Ryan, LTAV and Dunlop professional coach, has commenced his lessons for the final term this year. Anyone interested in being coached should contact John either Monday or Friday at the courts from 4 p.m. onwards, or phone 337-5833.

ALTONA HOCKEY CLUB

HOCKEY TEAMS DOWN IN PRELIMINARY FINAL

The hockey season came to an abrupt end last Saturday when both Altona premier-ship hopes, C and E Grades, were defeated 2-0 in their respective preliminary finals.

C Grade lost to O.E.G. at Manningham.

A temperamental side, Altona were soon in trouble when they became upset by poor umpiring decisions.

Failure to hit the ball hard and decisively kept the defence under pressure and finally O.E.G. broke through.

In the second half Altona recognised that the writing was on the wall and played with much more purpose.

Time and again good field play led to a shot for goal only to see it miss. Every forward at one stage or another had the opportunity to level the scores but failed.

O.E.G., breaking through for one of their few tries in this half, got one home to put the game beyond Altona's reach.

E Grade lost to Brunswick at Elbert Park.
